Bernie, a chara,

The Right to Home-Education is a fundamental Right. This Right is enshrined within the Sovereign Constitution of the Republic of Ireland.

As per the Resolution put before the IRB Supreme Council on Friday, 6th of September, 2024, any Sovereign Claimants in Éire and/or Citizens of the Irish Republic, who wishes to have this Right endorsed by a Sovereign Licence particular to Home-Education, may do so by application to the IRB Supreme Council. This Resolution is fully supported, by both the Sovereign Department of Education & Irish, the Sovereign Department of Local Government & Public Health, and is supported by the Secretary for Children, in consonance with Principle 14 of The Programme of the Brotherhood.

Both this Notice, and Confirmation of the granting of any Sovereign Licences for Home-Education, will be available in the Public Domain on www.e-i-r-e.ie.

I trust the above is in order, but if you have any further queries, please feel free to contact me, Barra S. de Róiste, at the address above.
